

Career Questions - Food for thought!

Question	Your response
1. What work would you do for the next 10 years if you won millions on the lottery (assume you must work!)?	
2. Looking back over your career, when have you been really happy and contented? Why?	
3. On holiday, what do you miss about work? And what do you not want to come back to?	
4. Compare the golden moments of your life and of your career – what do these common themes tell you about yourself, your values, your future?	
5. What would be an appropriate motto or theme song or film about you and your work?	
6. What sort of people do you work best with and why?	
7. What might prevent you from doing the job you want? Are these internal (yours) or external (others) constraints?	
8. When you were a child, what did you want to be when you grew up? How close have you come to your childhood dreams? Or did you change them?
